With reference to your office letter No. UCM/9/Delhi/Attro/2009-RU dated 25.06.09 on the subject cited above. Complainant Shri Uttam Chand Singh Meena has alleged that NDPL had organized a raid at flat No. 23 owned by his neighbour Smt. Veeni Arora w/o Shri Vijay Arora. The family of Smt. Veeni Arora doubts that the raid was conducted at his instance being employed as Assistant Manager, Government of Delhi at Bawana. Since then, Smt. Veeni Arora and her family members have been harassing him and using caste based derogatory language against him. The complainant has requested for his safety and legal action against the alleged persons.

The matter has been looked into through ACP/Bawana. On receipt of the complaint, the complainant was contacted and his statement was recorded. No independent public witness has yet corroborated the allegation of use of caste based abuses, leveled by the complainant. The matter is still pending enquiry and so far there is no evidence attracting legal action. However, in case any corroboratory evidence comes on record, appropriate legal action will be taken on merit.

Yours faithfully,

K Singh
