5. Secretary, NCST briefed the Chairman that eight Groups of Secretaries made a presentation before the Prime Minister. The Prime Minister, in his remarks during the concluding session of interaction with Secretaries on 21/01/2016, desired that all Secretaries will present and discuss the Final Group Reports before their Ministers and departmental Officers- Deputy Secretary and above. During the deliberations, each Department should identify the action points of their Department, arising from the deliberations and prepare a departmental Action Plan for implementation in a time-bound manner.

Accordingly the Secretary, NCST made a presentation on the Group recommendations before the Commission at its 82nd meeting held on 18th March 2016. The officers at the level of Deputy Secretary and above were present during this presentation.

It was recalled that mandate of the Commission include:

- "investigating and monitoring all matters relating to the safeguards provided for the Scheduled Tribes under this Constitution or under any other law for the time being in force or under any order of the Government and to evaluate the working of such safeguards".
- "participating and advising on the planning progress of socio-economic development of the Scheduled Tribes and to the evaluating the process of their development under the Union and any State".

The Commission noted that the topic for one of the Groups was “Accelerated Growth with Inclusion and Equity”. One of the slides in the presentation of this Group related to “Social Equity”. It is expected that the Action Plan of different Department in this regard would include Action Plan on recommendations made in this slide.

Accordingly, the Commission decided to take up the following activities, consistent with its mandate:

- a. The Commission would monitor the Action Plan of different Department on the subject of Social Equity in so far as it relates to Scheduled Tribes.
 - b. The Commission would provide the facility for filing and tracking of grievances of Scheduled Tribes on its website by March 2017.
