Limited in 1975 and allotted patta of Ac 416.53 cents land to them. The Scheduled Castes and Scheduled Tribes people/ families were allotted land for cultivation. The Tehsildar is Ex-Offico Chairman of the Society. Inspection on affairs of the Society was ordered on. 27.04.2015 under section 52 of APCS Act, 1964. Thereafter on inspection it was found that the audit of the account of the society was conducted up to the year 2002-2003 only. The society is dormant condition. The Bye-laws and records of the society were not available and due to this audit of the society was not conducted. The society did not do any Bank transaction for the last 10 years. There is no elected Managing Committee to the society for the last 10 years.

Further, as per the direction of the District Co-operative Officer Guntur, the Society had been defunct duly following procedure existing as per Rules in force. Presently, the land is under possession of the Govt.

5. The case discussed in detail. The Commission observed that the landless Scheduled Tribes person/families were living and cultivating the land for last several decades. In the name of the audit of the society, the pattas of the land was cancelled. The Tehsildar being a Chairman of the society did not discharge his duty to maintain the records of the society and the Registrar of Co-operative Society did not inquire the matter properly.
6. The Commission therefore recommends that the District Collector, Guntur may ensure that no Scheduled Tribes families be evicted from the land. The records of the Society be maintained in proper way and submitted before the Registrar of Co-operative Societies for restoration of land. The District Collector may also consider to grant patta in favor of Scheduled Tribes persons. The Registrar of Co-operative Societies, AP be also called for discussion in the Commission.
