9. The Hon'ble Member asked the petitioner to explain the problems and present position of the case. The petitioner informed that the District Administration and State Government of Gujarat is not helping them. The petitioner has also given a copy of the order No. SEIAA/GUJ/EC/8(a)/34/2019 dated 04.01.2019 of the Member Secretary, State Level Environment Impact Assessment Authority Gujarat regarding Environment clearance for the building construction project at the site of the land which is in question given to Avantis Buildcorp LLP, Surat.

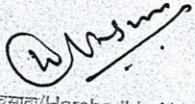

10. The Hon'ble Member asked the District Collector to explain the action taken by them in the matter. The District Collector provided the copy of the orders (In Gujarati language) of the District Administration as sought by the Commission in the sitting held on 30.07.2018. It was informed that the District Administration has no role in the matter, since SSRD had heard the case and not supported the issue raised by petitioner. Therefore, it would be appropriate, the petitioner may approach the Hon'ble High Court. In respect of the order of Collector, the petitioner may approach the SSRD who is the Appellate Authority of the Collectors order.

11. The Hon'ble Member asked the Additional Secretary, Revenue Department to explain the views/ comments of Revenue Department in the matter. The Additional Secretary, Revenue Department endorsed the views/ comments and facts submitted by the District Collector, Surat.

12. The NCST observed that the owner of the land in question were "Gam Samast Vahivatkarta" from 1928- 29 to 1938-39. As this land was used as a fodder/grazing land and Collector exempted from payment of Revenue from 02/05/1940. It is very strange the said land was again taken back and converted to commercial use by the Revenue authorities of the District and the State which reflects something is wrong. The 29 and more Scheduled Tribes family were residing/staying on the land for many years, who have been removed by promising to allot them residence in the scheme to be launched by them on this land. Some builders in collusion with the Government officials started construction work on the said land without giving the land/ space for residence of STs families by suppressing their rights. The builder is about to complete such construction very expeditiously on the said land by cheating the Scheduled Tribes. Therefore, construction work at the site should be stopped, immediately, unless/ until the suitable land/ space not provided to the affected STs families. The then Revenue official's involved in this case requires to be punished. The Commission is concerned that affected STs families, who were staying there since long, be provided the alternative land/ space for their residence or compensation as per Rules of the Government of Gujarat.
