<p>4.3.4 Please mention about the five most important schemes being implemented by the State Govt. for tribal development with a brief write- up on each of them (1-2 paras each)</p>	<p>1-GORA DEVI KANYADHAN YOJANA :- This is a scheme started by the Government in the year 2007-2008 which aims to provide Rs. 25000.00 in the form of NSC to all these Scheduled Tribe girls of BPL families who pass intermediate examination or equivalent class in any recognized board. In the financial year 2007-08 a total amount of Rs 76.75 lakhs has been expend on 307 girls.</p> <p>The budget provision for the year 2008-09 is Rs. 200.00 lakhs out of which Rs 60.50 lakhs has been expend up to November 2008 on 242 girls.</p>
	<p>2- INDIRA AWAS YOJANA:- In the year 2007-08, to provide houses to the homeless families belonging to primitive tribal groups (Buxa and Raji) an amount of Rs. 110.95 lakhs at the rate of Rs. 35000.00 per house construction per family has been spent for the construction of houses for 317 homeless families.</p> <p>The budget provision for the financial year 2008-09 is Rs. 179.91 Lakhs</p>
	<p>3- JEEVIKA AVSAR PROTSAHAN YOJANA :- The scheme is being implemented by Uttarakhand Bahuddeshiya Vitta Evam Vikas Nigam Ltd Dehradun, under which different training programmes are conducted for educated unemployed youth belonging to scheduled tribes. The expenditure on the training component is born by the Corporation. After the training, they are provided loans under self employment scheme so that they may develop into self reliant individuals. In the financial year 2006-07 adding the unutilized fund of the previous year, Rs.82.63 Lakhs has been spent for 912 beneficiaries. In the year 2007-08, Rs. 1.50 Lakhs has been expended on 20 beneficiaries. The Budget provision for the financial year 2008-09 under the plan head is Rs. 100.00 Lakhs</p>
	<p>4- Financially Aided Tribal sub plan Uttarakhand Sheep Development Board, Dehradun.</p> <p>This scheme is being implemented Uttarakhand Bahuddeshiya Vitr Evam Vikas Nigam Ltd, Dehradun and it aims to provide opportunities of self</p>

	<p>employment to the unemployed persons of scheduled tribes. The cost of training is borne by Uttarakhand Bahuddeshiya Viti Evam Vikas Nigam Ltd. Dehradun. After the training loan is provided to them under self employment schemes in order to make them self reliant. Under the schemes, it is proposed to benefit 900 beneficiaries across a period of three years. The various objectives are as under-</p> <ol style="list-style-type: none"> 1- To train 300 sheep farmers (100 Per year) 2- To train 300 goat farmers (100 Per year) 3- To establish 300 small sheep units (100 Per year) 4- To establish 300 male goat units for the distribution of male goats (100 Per year).This scheme is being implemented in three districts of Uttarakhand i.e., Uttarkashi, Chamoli and Pithoragarh.
	<p>5- Uttarakhand Bamboo and Fiber Development Board.</p> <p>This scheme is financed by the Social Welfare Department, Uttarakhand and the implementing agency is Uttarakhand Bamboo fiber development Board. It aims to raise the average family income of Scheduled Tribes families by promoting avenues to enhance the value & quality of artisan product made out of natural fibers. It also intends to provide new design, technology & marketing opportunities which will lead to greater employment opportunities for the un employed youth of the State.</p>
<p>4.3.5 What is the role played by voluntary organization / agencies in disseminating information and implementation of programmes for development of scheduled tribes in the State/UT? What steps were taken to make their association fruitful?</p>	<p>---</p>
<p>4.3.6 What are the special schemes, undertaken for development of agriculture, minor irrigation and soil conservation, horticulture, animal husbandry, pottery fisheries for rural artisans which if taken up intensively would have greater impact on socio- economic development of STs?</p>	<p>The rural development department is benefiting scheduled tribes through the implementation of schemes for conservation of agricultur land, minor irrigation, fisheries etc. Some special schemes of the agriculture department are enumerated below:-</p>

	<p>1- Plant Protection Programme- This programme was reformulated in the year 2005-06 Special provision has been made to provide subsidy up to 90% (65% from state Plan Complemented by 25% from Macro Management Scheme) to ST farmers , so as to enable them to purchase all plant protection inputs inclusive of bio-fertilizers, bio-pesticides, micro nutrients and equipments etc.</p> <p>2- Transfer of Technology Programme- This programme was also reformulated in the year 2005-06. Following training programmes have been given priority:-</p> <ol style="list-style-type: none"> 1- Manufacturing and repair of improved agriculture implements. 2- Crop production technology and post harvest technologies.
	<p>3- Integrated Scheme of distribution of water pump, sprinkler set, poly house and improved agriculture implements – Users groups are being formulated at village level and are being facilitated with improved agriculture implements free of cost.</p>
	<p>4- Soil and water Conservation programme- Under this programme villages are being selected where scheduled tribes are in majority. Most priority is being given to the water harvesting structures so as to enhance the life saving irrigation and ultimately increase in productivity.</p>
	<p>5- Macro Management Agriculture – As per the guidelines of the government of India, about 4% of the outlay of farmer-oriented activities has been proposed under TSP.</p> <p>Similarly the department of fisheries is implementing the following Programmes.</p>
	<p>6- Construction of Ponds in Plain & Mountainous Region- Under this scheme, 90% of the construction of pond in either of the region (Plain/Hill) is funded by the State Govt. & rest 10% born by the target beneficiaries.</p>

	<p>(c) Agriculture Department Uttarakhand Dehradun. It has never come to the knowledge of Department of Agriculture that there is any need of institutional arrangements to regulate the marketing produce collected by the STs from reserve forest or forest in Uttarakhand. Most of the tribes of Uttarakhand do not depend on forest produce and hence they are different from other tribes of India.</p>
	<p>(d) Fisheries Department Uttarakhand Dehradun The produce i.e. fish is not allowed to be collected from reserve forest. However, the produce collected from forest under occupation of STs is consumed locally.</p>
<p>(b) What are your suggestions to improve functioning of State institutions engaged in collection and marketing of minor forest produce?</p>	<p>Agriculture Department Uttarakhand Dehradun:- The State of Uttarakhand is very much suitable to grow medicinal and aromatic plants. Most of them grow naturally in forests. Mushroom, Bulbus & Tuber vegetables like tairu, gainties also grow in forests and collected by the tribes but for only personal use, not to be marketed. Such type of crops can be grown in farmers field. The department of Horticulture is working in this field. Information from department of Horticulture is awaited in this respect.</p>
