OFFICE MEMORANDUM

**Subject: Monitoring of Court Cases pertaining to NCST.**

The undersigned is directed to refer to the correspondence resting with OM of even no. dated 22.07.2020 and to say that a court case wise statement was prepared by co-ordination section for perusal of higher authorities. However, on reviewing the statement it was noticed that it needed to be improved in terms of its format, factual content and other inputs. It was also noticed that in the status/remarks column the information furnished was either not up-to- date or it became apparent that administrative action remained to be taken in the court case. The information is being compiled with a view to use it as our data-base for regular motoring of the court cases pertaining to this Commission. In the first instance, this statement is required to be placed before secretary NCST for his kind perusal.

2. Accordingly, all RUs and Regional Offices are advised to review their information from the point of view of updating the status so as to also indicate that the action required to be taken has been completed. The revised Research Units/Regional offices wise status may be furnished to the undersigned expeditiously and, in any case, by 4<sup>th</sup> September, 2020 positively
