Office Memorandum

Sub: Preventive measure to contain the spread of COVID-19-Arogya Setu App-Reg.

This is to inform that Government of India has developed "Arogya Setu Mobile App" to fight against Covid-19. This app will be helpful to the users and their family. The App works on the basis of contact tracing and can help a user identify possible coronavirus 'Hotspot' around his or her area. It would help people stay safe and adopt necessary precautions in the containment area. It can also alert users about their proximity to a nearby case of COVID-19 infection or hotspot. The app can be downloaded from both App Store/Play Store from iPhone and Android Phones.

2. All employees are advised to download the Arogya Setu App and utilize its applications.
