**2) Damages of standing Crops and Houses of Tribals**

During visit to Kumba Toli and Kundo villages, under Kundu block of Lohardaga district, incident of damages of standing Crops and Houses of tribals by elephants was discussed. Text of above issue reported in the news, for records, is as under.

**"Elephants damage huts fields and fodder in Jharkhand**

Lohardaga, Sep 22 (ANI): A herd of about sixteen elephants created havoc in a village of Lohardaga district in Jharkhand as they rampaged through huts and fields, forcing people to flee out of fright. A resident, Shadik Khan, said that the villagers, especially children are scared. The herd comes in the evening and people run out of their homes for their lives. The elephant menace is giving villagers sleepless nights, he added. Meanwhile, Divisional Forest Officer (DFO), Ashok Kumar Singh, said they would assess the damages done to get the villagers compensated by the government. "

Above matter was taken up by the undersigned, vide D. O letter dated 26/9/2014 (copy enclosed), with the Chief Secretary Government of Jharkhand and District Collector Lohardaga

**Action : As a follow up to above, report may be called from the District collector, Lohardaga by the NCST Secretariat .**

**1/10/2014**
